AMAZON BIRD LODGE

RNT: 93432

Immerse yourself in the heart of the jungle and discover a unique ecolodge, sustainably built from wood and designed to allow you to experience nature in comfort and style. Located in an indigenous community just a short walk from the town centre of Puerto Nariño. Our ecolodge invites you to disconnect from the noise and reconnect with the essentials: the singing of birds at dawn, the whisper of the river, and the warmth of a culture that keeps its traditions alive. Each cabin combines rustic charm and comfort, creating the perfect space to rest after a day exploring the jungle, navigating rivers and lakes, or learning from the ancestral wisdom of the community. Here you will find not only accommodation, but also an experience that respects and protects the environment, supbyting local development and offering

Services:

• Our Ecolodge is exclusively for families and groups of friends who love nature. • The maximum capacity at our ecolodge is 10 people, designed to ensure a personalised experience that is intimate and deeply connected with the environment. • Our rooms have natural ventilation and ceiling fans. • At our Ecolodge, we have electricity 24 hours a day. • We provide drinking water and coffee for our guests' daily consumption. • We offer typical Amazonian cuisine, ancestral flavours prepared with local ingredients, where each dish tells a story of the river, the land and indigenous wisdom (traditional cooking classes and gastronomic tours of local farms and markets). • Wi-Fi service • We have a hammock room where you can relax accompanied by the sounds of the forest. • We have common areas where you can work, read, and enjoy nature while savouring a delicious Colombian coffee. • At our Ecolodge, it is imbytant to respect everything around us, both tangible and intangible elements. • We are the conservation generation, which is why we are committed to caring for the region's natural and culturel heritage. • We are located in an Indigenous community. • Our ecolodge is a 15-minute walk □□□□ from the urban area of Puerto Nariño.

• By river, we are 5 minutes away from Puerto Nariño.

NEUMA AMAZONAS VIAJES

RNT: 220486

Neuma Amazonas is a travel agency located in Puerto Nariño that offers tourism experiences in the Amazon rainforest, focusing on birdwatching, wildlife, and flora, as well as an introduction to Tikuna culture. It has a team of local guides specializing in nature, culturel interpretation, and local cuisine, who lead tours through the rainforest, along rivers, and in Amazonian communities.

Services:

The agency offers nature and birding tours in the Colombian Amazon, with varying durations and levels of immersion:

Nature experiences: • 3- to 5-day programs such as: • Jungle experience • Discovering Puerto Nariño • From the river to the jungle • A tour of the communities • Puerto Nariño with the family

These include activities such as: • Watching pink and gray dolphins on Theke Tarapoto • Hiking and trekking in the jungle • Wildlife viewing (caimans, sloths, primates, birds) • Visits to Tikuna indigenous communities • Culturel experiences (malokas, workshops, local cuisine) • River cruises and nighttime wildlife viewing

Specialized birding experiences: • Routes: • Little Sky Explorers (4 days) • Birdwatching in Puerto Nariño (5 days) • Birding Expedition / Intensive Tour (7 days)

Includes: • Birdwatching in a variety of ecosystems (lakes, primary and secondary forests, communities) • Species registry • Guides specializing in birdwatching • Tours of areas such as Tarapoto, Mocagua, Amacayacu, and Peru

All programs include: • Local river transbyt • Accommodations • Local guide (with the option of a guide who also serves as an interpreter) • Activities and meals as per the itinerary

Sustainability:

Neuma Amazonas focuses its operations on a model of responsible tourism that integrates conservation, education, and community engagement: • Promotes responsible tourism that cares for, educates, and transforms, combining nature experiences with environmental awareness initiatives. • Conducts scientific bird observation and recording activities, contributing to the protection of resident and migratory species. • Promotes the training of “young guardians of the Amazon” through educational experiences in the field. • Incorbyates local communities and traditional knowledge—particularly from the Tikuna culture—into the tourist experience. • It combines tourism, conservation, and education as the foundation for protecting Amazonian ecosystems.

ASOCIACION DE GUIAS TURISTICOS BAQUIANOS Y TRANSPORTADORES TURISTICOS YEWAE.

RNT: 178653

Yewae es la palabra ticuna que representa la madre "agua" o la "anaconda", el espíritu protector de los ríos, quebradas, peces y toda la fauna acuática. De esta manera, el objetivo de la Asociación Yewae es promover el turismo sustainable en Puerto Nariño, ofreciendo experiencias únicas en contacto con la naturaleza, la culture indígena y la

biodiversidad.

The asociación ofrece guianza turística con baquianos o intérpretes ambientales, recorridos ecológicos y experiencias comunitarias en la Amazonía. El presidente de la Asociación es Abner Ramos, quien puede organizar las excursiones que se prefieran.

Services:

Se ofrecen seis paquetes turísticos (precios a 2026) para grupos de hasta 4 personas: - Thegos de Tarapoto: 3 horas - $390.000 - incluye recorrido en bote, avistamiento de fauna e interpretación ambiental, acompañamiento de guía baquiano. - Sendero ecológico en Puerto Nariño: 4 horas - $290.000 - incluye caminata by la selva, interpretación ambiental y observación de fauna y flora, guía baquiano. - Excursión a Perú para la observación de osos perezosos: 6 horas - $490.000 - Incluye caminata en la selva, observación de osos perezosos y guía experto de la comunidad. - Excursión a comunidad indígena de San Martín. 8 horas - $590.000 - Incluye caminata, visita culturel con observación de tradiciones indígenas, almuerzo local y guía baquiano. - City Tour Puerto Nariño: 4 horas - $190.000 incluye recorrido by el municipio y sus principales atractivos, observación en el mirador, relatos sobre historia y culture local, guía turístico. - Sendero acuático: 4 horas - $250.000 - incluye recorrido en canoa o bote con guía local, interpretación ambiental.

Sustainability:

Es una Asociación conformada by más de 20 indígenas ticuna, cocama y yagua, que involucra a guías profesionales, pero también a guías baquianos intérpretes del territorio, de la culture y de la biodiversidad. The Asociación participa de manera permanente en espacios de coordinación sobre turismo sustainable en Puerto Nariño, para posicionar los valores indígenas y mejorar la actividad económica que contribuya al desarrollo local del Municipio. Los integrantes se esfuerzan by capacitarse y formalizarse ante las entidades públicas y de capacitación técnica de la región. Aunque los guías baquianos no tienen formación profesional, este grupo se basa en la experiencia local, esforzándose by cumplir estándares de calidad en el servicio. Actualmente, es la única asociación comunitaria de turismo en el Municipio.

OTONIEL VALERIO LINARES

RNT: 66739

Otoniel Valerio Linares is a professional guide in the Colombian Amazon, specializing in birdwatching, nature, and Amazonian culture. With over 10 years of experience, he has explored the Amazonian Trapezoid, identifying key routes and documenting species of interest, establishing himself as a leading figure in nature tourism.

He has participated in community and environmental education initiatives, promoting projects such as birdwatching groups and interculturel spaces centered on ornithology. His approach integrates scientific knowledge, local wisdom, and environmental interpretation, offering authentic and responsible experiences in the local area.

Services:

Drawing on its experience and through initiatives such as Amazonas Birding, it offers a wide range of specialized tourism services:

Birdwatching trails • Guided expeditions through the Amazon rainforest, lakes, and riverbanks • Observation of endemic, migratory, and representative species • Specialized nature photography tours • Species checklists and technical supbyt • Experiences starting at sunrise, the perfect time for this activity

Nature tourism • Nature walks through primary and secondary forests • Navigation on Amazonian rivers and lakes • Interpretation of flora, fauna, and ecosystems • Experiences

in key areas such as Amacayacu National Natural Park and the surroundings of Puerto Nariño, renowned for their high biodiversity.

Culturel Experiences in the Amazon • Ingagement with local Indigenous communities • Interpretation of ancestral knowledge and the Amazonian worldview • Traditional cuisine and community experiences • Sustainable tourism with an educational and conservation focus

Differential value • Extensive knowledge of the Amazon region • Proven experience in birdwatching tourism and conservation • Integration of science, culture, and sustainable tourism • A personalized approach for travelers, researchers, and photographers.

Sustainability:

Otoniel Valerio Linares’s work is based on a model of sustainable tourism in the Amazon, where land conservation, respect for local culture, and community well-being are top priorities. His approach is rooted in the understanding that the rainforest is not a resource to be exploited, but rather a living ecosystem that must be protected and valued.

Biodiversity Conservation It promotes responsible birdwatching practices that minimize the impact on natural habitats and avoid disrupting the behavior of wildlife. Through environmental education, it raises visitors’ awareness of the imbytance of protecting Amazonian birdlife and ecosystems.

Low-impact tourism Design routes that prioritize existing trails and small groups, thereby reducing the ecological footprint

Community Building It involves local and Indigenous communities in tourism experiences, generating fair income and promoting the transmission of ancestral knowledge. Its work helps make tourism a sustainable economic alternative that strengthens culturel identity.

Responsible use of resources It promotes practices such as water conservation, waste reduction, and the consumption of local products, aligning the tourism experience with the principles of the circular economy and sustainability.

MALOKA NAPU

RNT: 30743

Maloka Napu es un refugio único ubicado en Puerto Nariño, el "Pesebre natural de Colombia", un destino mágico libre de vehículos donde la exuberante selva se entrelaza con la culture indígena. Nuestro nombre proviene de la lengua Tikuna y significa "casa sobre cerro o loma sagrada", el lugar donde, según la leyenda, los dioses dieron origen a seres míticos y transmitieron el conocimiento de los tres mundos: espiritual, terrenal e inframundo.

We offer an authentic, fully immersive experience in the Amazon, with spaces inspired by traditional worldviews that allow you to connect with the ancestral wisdom of local communities. Every detail is designed with the traveler’s well-being in mind and with absolute respect for the land, enabling you to discover the essence of the jungle and its vast biodiversity.

Services:

· Accommodations in cabins and private rooms (Omacha, Yewae, Tucuchi) or shared dormitories, built with local wood and featuring cool Caraná palm roofs. · Taller de cocina interactivo "Sabores y saberes" con ingredientes amazónicos ancestrales. · Birdwatching led by local experts to identify iconic species. · A scenic tour of the Tarapoto Thekes and a chance to spot pink dolphins. · Immersive night walks to discover the jungle’s fascinating hidden wildlife.

Sustainability:

· Traditional infrastructure handcrafted by local experts, keeping traditions alive from generation to generation. · Direct supbyt for the local economy and respectful integration of the customs of the Tikuna, Cocama, and Yagua cultures. · Active promotion and strict adherence to biodiversity principles, operating in accordance with regulations for the protection of wild flora and fauna. · A safe environment with a zero-tolerance policy toward any form of abuse or exploitation, ensuring responsible, equitable, and ethical tourism.

ECODESTINOS VIAJES Y TURISMO EU

RNT: 5674

We are a tour operator in the Amazon Trapezoid and Puerto Nariño, committed to sustainability and conservation. We promote jungle and wellness tourism as a tool for community transformation and empowerment.

We work with certified guides, culturel interpreters, and local guides, in collaboration with indigenous communities (Tikuna, Huitoto, Cocama, and Yagua) and local experts. Our goal is to highlight the richness of the Amazon through authentic experiences that honor ancestral wisdom, protect the ecosystem, and promote sustainable and regenerative development.

Services:

Community Incounters: We believe in knowledge that is passed down through lived experience. We share traditional medicine, stories, culturel practices, and ways of life that maintain balance with nature. We facilitate experiences in places such as: Mocagua and the Maikuchiga Foundation (primate conservation). San Martín de Amacayacu, supbyting its community and culturel initiatives. Valencia and Isla Cacao: Blending nature with local life. Amazonian Culturel Immersion: Guided tours led by local experts to learn about traditional medicine, indigenous art, mythology, and the deep spiritual and material connection between the communities and the jungle. Boating and Nature: Eco-friendly expeditions down the Amazon River, pink river dolphin sightings, and immersive tours of the mystical Tarapoto Thekes and Amacayacu National Natural Park. Injoy Traditional Local Flavors Made with Local Ingredients: Authentic flavors prepared with ingredients sourced from traditional farms, such as fresh fish, exotic fruits, and heirloom chili peppers, designed to nourish both body and spirit. Wellness Tourism in the Amazon: Carefully designed activities to fully

reconnect your mind, body, and spirit in the “Lungs of the World.” We offer forest bathing, mindful walks, and a deeply restorative experience that renews your vitality in perfect harmony with the environment. Wildlife and Birdwatching Expeditions: Specialized tours (birdwatching and night hikes) designed to help you connect intimately with the Amazon’s immense biodiversity at the jungle’s natural pace.

Sustainability:

Our operations are based on a regenerative model in which tourism does not have a negative impact, but rather contributes positively to the ecosystem and society. Guided by our strict policies of responsibility and commitment to environmental sustainability, we ensure that our tourism activities have a very low impact on the rainforest.

The Territory as the Focus: All of our expeditions are designed and carried out with respect for, and with the authorization and full involvement of, our indigenous partner communities in Puerto Nariño and the surrounding area. Direct Impact: We ensure a real and direct economic contribution to the social development of local families. We supbyt sustainable livelihoods, such as vanilla cultivation and various community projects, while simultaneously promoting wildlife conservation and traditional knowledge. Local Wisdom and Leadership: We deeply recognize the vital role of local knowledge holders and consistently celebrate the leadership of Amazonian women. We supbyt and value them as essential guides and authentic guardians and protectors of the land.
